Item 7.01 Regulation FD Disclosure.

As previously announced, on July 28, 2021, Queen’s Gambit Growth Capital, a Cayman Islands exempted company with limited liability (“SPAC”), Swvl Inc., a British Virgin Islands business company limited by shares incorporated under the laws of the British Virgin Islands (“Swvl”), Pivotal Holdings Corp, a British Virgin Islands business company limited by shares incorporated under the laws of the British Virgin Islands and wholly owned subsidiary of Swvl (“Holdings”), Pivotal Merger Sub Company I, a Cayman Islands exempted company with limited liability and wholly owned subsidiary of Holdings, and Pivotal Merger Sub Company II Limited, a British Virgin Islands business company limited by shares incorporated under the laws of the British Virgin Islands and wholly owned subsidiary of SPAC, entered into a business combination agreement (the “Business Combination Agreement”). Subject to the satisfaction or waiver of the conditions to closing of the transactions contemplated by the Business Combination Agreement (the “Proposed Transactions”), the Proposed Transactions will effect a business combination between SPAC and Swvl.

As previously announced in connection with the execution of the Business Combination Agreement, on July 28, 2021, SPAC, Swvl and Holdings entered into separate subscription agreements (collectively, the “PIPE Subscription Agreements”) with a number of investors (collectively, the “PIPE Investors”), pursuant to which the PIPE Investors agreed to purchase from Holdings, and Holdings agreed to sell to the PIPE Investors, an aggregate of up to 10 million newly issued Holdings’ Class A ordinary shares, par value \$0.0001 (“Holdings Common Shares A”) for a purchase price of \$10.00 per share (the “Acquired Shares”) in a private placement for an aggregate purchase price of \$100 million (the “PIPE Subscription Amount”). The sale of the Acquired Shares pursuant to the PIPE Subscription Agreements is to take place substantially concurrently with the closing of the Proposed Transactions (the “Closing”).

Notwithstanding the foregoing, certain of the PIPE Investors agreed to pre-fund Swvl with up to \$35.5 million of the aggregate PIPE Subscription Amount by purchasing exchangeable notes from Swvl prior to the Closing (the “Company Exchangeable Notes”). Pursuant to the terms of the PIPE Subscription Agreements entered into with such PIPE Investors, such PIPE Investors, Holdings and Swvl executed definitive documentation in respect of such Company Exchangeable Notes within ten business days following the date of the PIPE Subscription Agreements. On August 25, 2021, upon the issuance of a Company Exchangeable Note to any such PIPE Investor, the PIPE Subscription Amount of such PIPE Investor was reduced by the purchase price of such Company Exchangeable Note. At the Closing, each Company Exchangeable Note will be automatically exchanged into Holdings Common Shares A at an exchange price of \$8.50 per share.

On January 12, 2022, a PIPE Investor purchased a \$20.0 million exchangeable note of Swvl (the “New Company Exchangeable Note”), effectively pre-funding the remainder of its portion of the PIPE Subscription Amount. At the Closing, the New Company Exchangeable Note will be automatically exchanged into Holdings Common Shares A at an exchange price of \$9.10 per share. Upon the issuance of the New Company Exchangeable Note, such PIPE Investor’s PIPE Subscription Amount was reduced by \$20.0 million, resulting in the termination of such PIPE Subscription Agreement. As a result of the issuance of the Company Exchangeable Notes and the New Company Exchangeable Note, Swvl has been pre-funded with \$55.5 million and the amount expected to be funded at the Closing from the PIPE Subscription Amount has been reduced to \$44.5 million. The issuances of the Company Exchangeable Notes and the New Company Exchangeable Note were not registered under the Securities Act of 1933, as amended (the “Securities Act”) in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act.

Additional Information and Where to Find It

This communication relates to the Proposed Transactions. This communication does not constitute an offer to sell or exchange, or the solicitation of an offer to buy or exchange, any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, sale or exchange would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. In connection with the Proposed Transactions, SPAC and Holdings filed a registration statement on Form F-4 (File No. 333-259800) (as amended, the “Registration Statement”) with the SEC, which includes a joint proxy statement/prospectus. SPAC and Holdings also will file other documents regarding the Proposed Transactions with the U.S. Securities and Exchange Commission (the “SEC”). Before making any voting decision, investors and security holders of SPAC are urged to read the Registration Statement, the proxy

statement/prospectus and all other relevant documents filed or that will be filed with the SEC in connection with the Proposed Transactions as they become available because they will contain important information about the Proposed Transactions.

INVESTORS AND SECURITY HOLDERS ARE ADVISED TO READ THE REGISTRATION STATEMENT, PROXY STATEMENT/PROSPECTUS, ALL AMENDMENTS THERETO, AND ANY OTHER RELEVANT DOCUMENTS FILED WITH THE SEC CAREFULLY AND IN THEIR ENTIRETY IF AND WHEN THEY BECOME AVAILABLE BECAUSE THEY CONTAIN IMPORTANT INFORMATION ABOUT THE BUSINESS COMBINATION AND THE PARTIES TO THE BUSINESS COMBINATION. Investors and security holders can obtain copies of these documents and other documents filed with the SEC free of charge at www.sec.gov. The definitive proxy statement/final prospectus (if and when available) will be mailed to shareholders of SPAC as of a record date to be established for voting on the business combination. Shareholders of SPAC will also be able to obtain copies of the definitive proxy statement/final prospectus without charge, once available, at the SEC's website at www.sec.gov, or by directing a request to: Queen's Gambit Growth Capital, 55 Hudson Yards, 44th Floor, New York, New York, 10001.

Investors and security holders may obtain more detailed information regarding the names and interests in the business combination of the directors and officers of Holdings, Swvl and SPAC in the Registration Statement. Information about SPAC's directors and executive officers is also available in SPAC's Annual Form 10-K for the fiscal year ended December 31, 2020 and other relevant materials filed with the SEC. These forward-looking statements include, but are not limited to, statements regarding future events, the proposed business combination between Swvl and SPAC, the estimated or anticipated future results and benefits of the combined company following the business combination, including the likelihood and ability of the parties to successfully consummate the business combination, future opportunities for the combined company and other statements that are not historical facts.

These statements are based on the current expectations of Swvl and/or SPAC's management and are not predictions of actual performance. These forward-looking statements are provided for illustrative purposes only and are not intended to serve as, and must not be relied on, by any investor as a guarantee, an assurance, a prediction or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions. Many actual events and circumstances are beyond the control of Swvl and SPAC. These statements are subject to a number of risks and uncertainties regarding Swvl's business and the business combination, and actual results may differ materially. These risks and uncertainties include, but are not limited to: general economic, political and business conditions, including but not limited to the economic and operational disruptions and other effects of the COVID-19 pandemic; the inability of the parties to consummate the business combination or the occurrence of any event, change or other circumstances that could give rise to the termination of the Business Combination Agreement; the number of redemption requests made by SPAC's shareholders in connection with the business combination; the outcome of any legal proceedings that may be instituted against the parties following the announcement of the business combination; the risk that the approval of the shareholders of Swvl or SPAC for the potential transaction is not obtained; failure to realize the anticipated benefits of the business combination, including as a result of a delay in consummating the potential transaction or additional information that may later arise in connection with preparation of the Registration Statement and proxy materials, or after the consummation of the business combination as a result of the limited time SPAC had to conduct due diligence; the risk that the business combination disrupts current plans and operations as a result of the announcement and consummation of the business combination; the ability of the combined company to execute its growth strategy, manage growth profitably and retain

its key employees; competition with other companies in the mobility industry; Swvl’s limited operating history and lack of experience as a public company; the lack of, or recent implementation of, certain policies and procedures to ensure compliance with applicable laws and regulations, including with respect to anti-bribery, anti-corruption, and cyber protection; the risk that Swvl is not able to execute its growth plan, which depends on rapid, international expansion; the risk that Swvl is unable to attract and retain consumers and qualified drivers and other high quality personnel; the risk that Swvl is unable to protect and enforce its intellectual property rights; the risk that Swvl is unable to determine rider demand to develop new offerings on its platform; the difficulty of obtaining required registrations, licenses, permits or approvals in jurisdictions in which Swvl currently operates or may in the future operate; the fact that Swvl currently operates in and intends to expand into jurisdictions that are, or have been, characterized by political instability, may have inadequate or limited regulatory and legal frameworks and may have limited, if any, treaties or other arrangements in place to protect foreign investment or involvement; the risk that Swvl’s drivers could be classified as employees, workers or quasi-employees in the jurisdictions they operate; the fact that Swvl has operations in countries known to experience high levels of corruption and is subject to territorial anti-corruption laws in these jurisdictions; the ability of Holdings to obtain or maintain the listing of its securities on a U.S. national securities exchange following the business combination; costs related to the business combination; Swvl’s pending acquisition of a controlling interest in Shotl may not be completed as anticipated, or if completed, may not be beneficial to Swvl as a result of the cost of integrating geographically disparate operations and the diversion of management’s attention from its existing business, among other things; and other risks that will be detailed from time to time in filings with the SEC. The foregoing list of risk factors is not exhaustive. There may be additional risks that Swvl presently does not know or that Swvl currently believes are immaterial that could also cause actual results to differ from those contained in forward-looking statements. In addition, forward-looking statements provide Swvl’s expectations, plans or forecasts of future events and views as of the date of this communication. Swvl anticipates that subsequent events and developments will cause Swvl’s assessments and projections to change. However, while Swvl may elect to update these forward-looking statements in the future, Swvl specifically disclaims any obligation to do so. These forward-looking statements should not be relied upon as representing Swvl’s assessments as of any date subsequent to the date of this communication. Accordingly, undue reliance should not be placed upon the forward-looking statements.
